You can have the Hometown Band logo embroidered onto a blue polo shirt by doing the following:

**The embroidery will be done by:**

- **You must purchase the polo shirt yourself** to make sure it fits. I got mine at Goodwill (new) for \$7.00 on senior discount day!
- The color should be **Royal Blue**.
- Take the shirt to Unique Experience . . . Ask for the **Hometown Band emblem on the left chest**. If there is a problem with finding the logo in their system, have them check imprint #6122-1 or "Jim Ramsey".
- **Cost:** Currently \$19.93 including tax.

It may take two weeks for them to do the work.

**Another option:** Pin your name to your royal blue polo shirt and give it to Jim at band practice along with \$20.00. He will take it to be embroidered.
